

Here in Mostar we are very happy to find support in our scout friend from Zaragoza. It has been very difficult for us (as Pablo probably told you), and we appreciate your help. To deepen our new friendship between scouts of Zaragoza and Mostar, we have decided to invite you to visit us here in Bosnia and Herzegovina.

On last session of SIGMO (Savez izviđača Grada Mostara – Scout association of city Mostar), we prepared a draft version of plan and programme of your visit to Bosnia and Herzegovina, as our guests, completely free (except expenses of transportation from and to Spain). We invite you to stay at our camp for 8 days (not counting days on road from Spain and back) in period of time between 15.07-03.08.2010. That is the best period to be on Boračko lake, where scouts from all over Bosnia and Herzegovina camp. Accommodation is under tents, and our camp have also kitchen, mess, toilette, showers... During camp we will provide 4 meals (breakfast, lunch, narrowness and supper). As part of 8-day camp we organize 3 road trips:

- to Mostar (visiting Old Bridge, Old Town, Spanish square wich is located in the centre of city) and Medjugorje (sacred place where Blessed Virgin Mary appeared visited by pilgrims from around the entire world)
- rafting down the canyon of river Neretva (adventure through the intact wilderness)
- to Sarajevo (capital of Bosnia and Herzegovina, old town)

Above everything we offer you good time, friendship and brotherhood, and exchange of scout experiences between Spain and Bosnia and Herzegovina. Down are some pictures of locations, but fell free to visit our web site [www.oistarigrad.com.ba](http://www.oistarigrad.com.ba) and explore our gallery (the pictures are in the folder „galerija“).

This is our concrete offer...hope to exchange details in future mails...

Best wishes from Mostar
